COLLEGE PARK HIGH SCHOOL PARKING PERMIT
The process for obtaining a parking permit has changed. Please read carefully.
All students are now required to enter their vehicle information and pay for their permit online at:
https://permitsales.net/CollParkHS
Students will still need to bring their proof of purchase, driver’s license and proof of insurance to the Treasurer to collect their permit. Students should not park without a valid permit.

PARKING PERMITS will be sold at the beginning of the school year to students in the eleventh and twelfth grades with a valid driver’s license and proof of vehicle insurance. Students who do not yet have their license will need to wait until they receive one. We are sorry, but there are a limited number of permits available (320 parking spaces only) and we do run out. Permits are $20.00 each and good for one school year only. Lost permits will cost an additional $20.00. A parking permit is required for all students who park on campus, but it does not guarantee each student a parking space. Parking is on a first-come, first-served basis each day. Any car parked on campus without a permit is subject to a citation and may be towed.

Please read and abide by the following rules regarding parking at College Park High School:

- Students must display a valid Parking Permit hanging from the rear-view mirror at all times.
- Students must park in the assigned student parking lot in designated parking spaces.
- Students may not park in faculty lots, visitor parking, bus zones, red zones, handicapped spaces, in front of the gates in the student lot, or fire lane at the back lot S Wing any time.
- The speed limit in the parking lot is 5 mph. All directional arrows must be observed.
- Cars may not be double parked, parked in emergency entrances, or student walkways.
- Student cars may be cited for mechanical and license violations as well as parking violations.
- Park, lock and leave your car promptly. Do not loiter in parking areas.
- Students are not permitted to be at their car for any reason during regular school hours (including brunch and/or lunch).
- Any student parked in the lot who must leave campus has to go through the Attendance Office and contact a campus supervisor to leave the parking lot.
- Do not share your permit or allow it to be copied – it will be revoked.

You will be issued a parking violation for any infringement of the above rules. Your parent will be notified. If you receive three such violations, your permit will be suspended for one month. Three suspensions of a permit to park will result in the permit being revoked. There is no refund.

Parking lot privileges may be revoked for:

- Reckless, exhibitionist or unsafe driving
- Failure to comply with Campus Supervisors
- Three parking permit suspensions
- Allowing your permit to be copied

Tickets/Citations and Towing are issued/initiated by the Pleasant Hill Police Department. If you are cited, you will need to call the Police department. 925-228-4600
