Flyer Approval and Distribution Guidelines

Flyer Distribution

Mt. Diablo Unified School District (“District”) partners with community groups and organizations that sponsor activities of an educational/enrichment nature for students by distributing materials electronically via Peachjar. We have transitioned from paper to electronic flyer delivery as part of our efforts to be more environmentally friendly, embrace innovative technology, and maintain fiscal responsibility. Flyers are posted to a webpage and are distributed through email and/or text. The following information provides instructions and the protocols for using the Peachjar electronic flyer system. As of March 2, 2015, paper flyers from community groups and organizations will not be accepted for distribution.

Community Groups and Organizations

All requests for flyer distribution by community groups or organizations must first be approved by the District Office through the Peachjar system prior to being posted to a school(s) Peachjar page. In order to be eligible to use the Peachjar system, you must be a local non-profit organization with a valid 501(c)(3) tax ID. The only exception is for providers of after school enrichment classes, which are held on school campuses.

Peachjar charges organizations a fee for this service. Please visit www.peachjar.com for more information. All flyers to be distributed from a community group or organization must:

- Originate from a local non-profit organization with a valid 501(c)(3) tax ID;
- Support the District’s mission and framework for excellence;
- Directly benefit students or be of intrinsic value to students and/or parents;
