• Only One Summer School Session: Students can register for up to 2 classes during the summer school session. Course 1 from 7:45–10:15am or Course 2 from 10:45 – 1:15 pm. Students not attending the first day of the summer program may be dropped.

• Attendance: Students absent more than 2 days may not receive credit for that course. Note: Three tardies equal one absence.

• Priority Registration: Classes are limited. Priority is given to non-graduating seniors and juniors who are making up a failed course and those who choose to improve a grade from a “D.” Applications must be submitted by April 30, 2017.

• Transportation is the responsibility of the parents. No district bus service is available unless required by student’s IEP.

• Extended School Year Classes Self-contained classes will be offered at each site to accomplish retention/recoupment concerns as noted on the student’s IEP. Students should consult with their case manager to determine appropriate courses. Students on track for earning a diploma should be enrolled in credit recovery courses if credit deficient.
